Hi Kevin,

Sorry, for not answering your call. I had someone in my cube going over documents. I don't have any news. The Class VI primacy application is still with the Administrator and we keep asking for updates but have not heard anything. I am sorry I don't have any updates.

Merry Christmas and Happy New Year to you as well!

Lisa

Lisa,

I hope you are doing well. Is there any update you can provide regarding the North Dakota Class VI primacy application?

Feel free to call if that is easier for you. I am just hoping I can get a better feel for where we are at and what I can expect in the future.

Take care and Merry Christmas!
